

Clipper® 4½ RHTX Fasteners

CH230

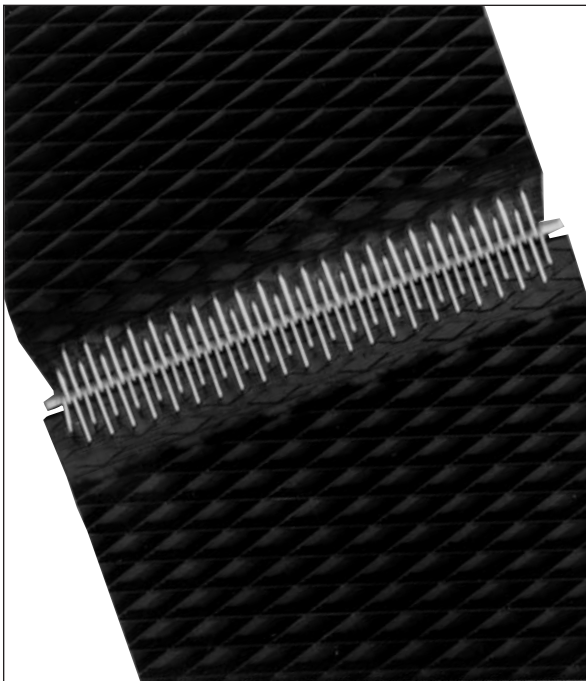

The field-proven Clipper® rectangular high tensile hook is a tough, durable fastener designed to stand up to the most abrasive and abusive applications. Compared to other hooks on the market, the RHTX features “Xtra” wire mass for significantly enhanced splice life, superior strength and superior wear resistance.

Easily installed

The RHTX fastener, like all other Clipper fasteners, can be easily installed with a variety of lacing tools, including the Clipper Vise Lacer for low volume lacing needs.

Market applications

- Round hay balers
- Lumber tray belts
- Potato harvesters
- Other abrasive and abusive applications
