

Flexco® Rapid Loader™ Collated Rivet Strips

RH230

Loading rivets has never been quicker or easier

The unique Flexco® Rapid Loader™ collated rivet strips make it easy to load 20 rivets into your multiple guide block at one time. Simply insert the pilot nails into the guide block holes, hit the strip with a hammer to release the rivets from the plastic and continue with the installation of your field-proven Flexco SR™ rivet hinged or BR™ rivet plate splice.

- Loads 20 rivets into guide blocks at one time.
- Eliminates time consuming handling of individual rivets.
- Supplied in color-coded strips for easy identification of rivet sizes.
- Available in either steel or stainless steel.
- Arrives ready-to-use in convenient buckets of 60 strips (1200 rivets).

FLEXCO® Rivet Fastener Systems

Flexco® Rapid Loader™ Collated Rivet Strips

Easy Installation

Thanks to the Flexco® self-setting rivet method, portable MSRTA or MBRTA installation tools, and Rapid Loader™ Collated Rivet Strips, rivet fasteners install quickly and easily. With a simple hammer blow, rivets drop into place to make splicing your conveyor belts even faster. For detailed information on the complete Flexco SR™ or BR™ fastener system, see catalog F110.

Packaging and Ordering

Flexco Rapid Loader strips are available in either steel or stainless steel and are conveniently packaged in buckets of 60 strips (1200 rivets). Each strip holds 20 rivets corresponding to the SR and BR rivet patterns.

| Size | Color Code | Ordering Number |
